

**WICK'D** (Denver Chapter)

*Women In Control of Kink & Domination*

## Have a shockingly good time at WICK'D!

Come on out to The Enclave on Saturday, October 18th and join WICK'D as they host an evening of electro-torture with Mistress Saskia of Pavlovia! Mistress Saskia will be getting everyone amped up with her violet wand. Audience participation strongly encouraged so if you've got a violet wand, bring it with you. Dominants/tops will have opportunities to use the wand on volunteer submissives/bottoms. As always, health and safety issues will be addressed.

Mistress Saskia is Denver's Delightfully Demented Dominatrix. She runs Pavlovia, a professional house of domination, is the Volunteer Coordinatrix for LeatherMagick (a Colorado leather community charity), and has been part of Denver's BDSM scene for the past 12 years.

As usual, the upper dungeon will be reserved for female Dominants and those who serve them. However, the lower dungeon is open to all! It is a WICK'D night AND a play night at The Enclave so those wishing to attend need to be a member of WICK'D, a member of The Enclave, or the guest of a member of WICK'D or The Enclave. If you don't fall into one of those categories, just contact one of the Board members of WICK'D via our website - [www.wickddenver.com](http://www.wickddenver.com). We will be happy to guest you in after getting to know you!

**Submissives welcome!**

WICK'D invites any submissive interested in serving female Dominants to join our group. We provide support, education, and social opportunities for any one interested in serving female Dominants.
